An unparalleled disaster is about to strike the USA. Never before in these modern times shall we see such a destruction, which will shake this World to its core. It is our duty to warn you that a disaster is coming that will change the course of history for many. This flyer is NOT advertising a disaster movie, but a very REAL event....

## WHAT WILL EXACTLY HAPPEN IN NASHVILLE?

As hard as this may sound, it has been revealed that a large meteor of some kind will directly strike the city of Nashville, in particular where the pagan "Parthenon" Temple building is located in "Centennial Park". There will be great destruction of houses, buildings and sadly of human life.

We do not know exactly when this will happen! But it has been revealed that it will happen soon! We have decided to tell you now, so that when this tragedy happens you will decide to believe & trust in God's word.
